Product: Coronavirus (COVID-19)

The Coronavirus e-Learning Programme includes dedicated content relating to the prevention and treatment of the disease. Sessions cover infection prevention and control, personal protective equipment, critical care, wellbeing for staff and other topics.

The programme includes new and curated content from Health Education England e-Learning for Healthcare, NHS England and NHS Improvement, and the World Health Organization (WHO).

The content is suitable for doctors, nurses, healthcare assistants and many allied healthcare professionals. It is relevant to qualified professionals, trainees and those returning to the workforce.

A number of other related programmes are available at a discounted price to support healthcare professionals globally during the COVID-19 pandemic. Please contact us to find out more about these discounts: enquiries@eintegrity.org
